

WLCI
HABITAT PROJECT FUNDING APPLICATION
DUE APRIL 15

Please submit this form and any attachments (e.g., shape files, maps, photos) to:

BLM_WY_WLCI_WYMAIL@BLM.GOV (BLM_WY_WLCI_WYMAIL@BLM.GOV)

1. PROJECT LEAD

Name:

Title:

Agency/Organization:

Address:

Phone:

Email:

Project Lead: If the project is funded, you are responsible for annually reporting the workload measures to WLCI in a draft report by September 15th with a final report due November 15th (using the Annual Project Report Form). Other obligations include future monitoring results. *Future funding for any project is dependent upon fulfilling these responsibilities.* A WLCI Project Tracking Checklist can be found on the WLCI website or provided upon request.

2. DATE SUBMITTED

3. PROJECT TITLE

4. LOCAL PROJECT DEVELOPMENT TEAM

5. PROJECT TYPE

- | | |
|-----------------------------------|---|
| <input type="checkbox"/> Access | <input type="checkbox"/> Invasive |
| <input type="checkbox"/> Aspen | <input type="checkbox"/> Riparian/Wetland |
| <input type="checkbox"/> Easement | <input type="checkbox"/> Fencing |
| <input type="checkbox"/> Other | If other, Please Describe: |

6. PROJECT OBJECTIVES

Provide brief narrative on the importance of this project and project objectives.

7. PROJECT DESCRIPTION/SYNOPSIS

Include: strategies, immediate threats or stressors, animal and plant species, habitat classification (winter range, migration corridor, etc.), management relevance, additional (ecological, educational, socioeconomic, etc.), and benefits.

8. GEOGRAPHIC DESCRIPTION

Provide map(s) and shape file(s) showing location of project. These may need to be submitted separately from this form.

Please Note: this is a mandatory requirement to receive future funding from WLCI.

UTM Coordinates:

Local Name & County:

Surface Ownership (Check All That Apply)

- Federal State Private

9. INFORMATION FOR BLM REPORTING

Please identify the number of acres, miles or other units of measurement by property ownership for each project activity area you accomplished this year. Project activities might include: NEPA, assessments, monitoring, mowing, spraying, and fencing. *If your project is funded, the BLM Coordinator will contact you with details regarding units of measurement required for completing the reporting process.*

	Unit Measurement by Property Ownership						
Project Activities	Private	State	BLM	USFS	BOR	USFWS	Other

10. FOCUS COMMUNITIES and ACTIONS

A. Which Focus Communities are being addressed? (check all that apply)

- Aspen Mountain Shrub Sagebrush
- Riparian Aquatic

B. Within each Focus Community, list the actions and anticipated unit of measure (e.g., burn, thin, water, seeding, noxious weeds, fencing, etc. and acres, miles of fencing, etc.)

11. HOW DOES THIS PROJECT RELATE TO THE WLCI CONSERVATION ACTION PLAN (CAP)?

Landscape priorities are listed in the CAP (<https://www.wlci.gov/lpdt-resources>). If in a geographic priority area, how does this address the issues and conservation objectives listed (Part I)? If so, how do these actions contribute to landscape goals (Parts II and III)?

[HOW DOES YOUR PROJECT ADDRESS LANDSCAPE PRIORITIES LISTED IN PART I OF THE CAP?](#)

[HOW DOES YOUR PROJECT ADDRESS THE ISSUES AND CONSERVATION OBJECTIVES LISTED IN PART II AND PART III OF THE CAP?](#)

12. DESCRIBE HOW THIS PROJECT RELATES TO OTHER MANAGEMENT PLANS or PROJECTS?

Include WGFD Strategic Habitat Plan, BLM Resource Management Plans, etc. Relationships to other management plans can also be found in the WLCI CAP.

[LIST OTHER MANAGEMENT PLANS](#)

13. PROJECT LENGTH AND SCHEDULE

A. Project Length

- New Single Year New Multi-Year Continuing/Phased

B. Project Timeline

List scheduled expectations for the life of the project

C. Project Implementation Schedule

• If New Multi-Year, please list scheduled expectations for each year of project; each subsequent year until completion requires an updated application for the next year's goals and objectives including maps and photos.

• If this application is for a Continuing/Phased project, list past accomplishments and future scheduled actions.

For this project year:

Future Year

14. PROJECT FUNDING

A. WLCI Funding Requested by Year (if applicable)

For this project year

Future Year

Future Year

Future Year

Future Year

B. Total WLCI Funding Requested

For the life of the project

C. How will WLCI Funds Be Used?

Include a breakdown of how WLCI funds will be used (supplies, equipment, labor, etc.).

Include estimates for each year of multi-year projects.

	This Project Year	Future Year	Future Year	Future Year	Future Year	Total
Materials/ Equipment						
Engineering						
Labor						
NEPA or Permitting Requirements						
Other						
Total						

D. Project Partner Contributions

For each partner associated with this project, list the dollar amount requested as cash, personnel, in-kind matches, or any other (e.g., equipment or supplies).

Project Partners	Cash Match	Personnel Match	In-Kind Match	Other	Total
Total					

Describe Other:

E. Total Project Contributions (including all partners)

15. DESCRIBE ANY YOUTH INVOLVEMENT OR EMPLOYMENT WITH YOUR PROJECT

If you anticipate youth involvement, identify groups associated with your project (e.g., Boy Scouts, high school, conservation corps). List their roles, responsibilities, and an accounting of their hours. Photos and release forms are required for the Annual Report(s).

16. MONITORING ASSESSMENT

Describe the monitoring planned for this project (how and when). Detail how the monitoring will be shared with your local project development team and contribute to future projects.

17. PHOTOS OF PROJECT AREA

Please submit photographs separately from this form. Include description or caption for each photo.

Provide pre-treatment photo points depicting the issues being addressed.

Post-treatment photos will be required in future reports.

Year-End Reporting Reminder

Year-End report DRAFT due September 15 of every year of project

Year-End report FINAL due November 15

Use Year-End Project Report Form
